

MIG GOV 8a Sole Source Purchase Process

Streamline Your Procurement, Save Time and Money

Cost Savings

DLA adds 5.4% to all orders

GSA adds to all orders

8a process saves on these percentages

Rapid acquisition:

Up to 250K (SAT) KO can just issue a contract without notifying SBA

Up to 750K – KO submits request to SBA and receives approval within 1 week

Up to 7.5M – KO submits request to SBA and receives approval within 2-3 weeks

8a Sole Source Process

Step 1: Tell MIG GOV What You Need

- Simply reach out to MIG GOV and specify the products you're interested in and the required delivery date if applicable. (We can build Kits, or just line by line Quote)
- We'll provide you with a detailed quote, including lead times and possible product alternatives.

Step 2: Receive Your Quote

- After your request, you will receive a formal quote and/or proposal package from MIG GOV.
 - Includes applicable Kit info, BOM, CLINs, Scope of Work, Preliminary schedule/delivery timelines, and more

Step 3: RA/FM Contacts Contracting Office

- Unit RA/FM will contact the local contracting office requesting to start a (Form 9) for the above quote, and approval to use MIG GOV and the 8a Sole Source set aside for your specific project.

Step 4: RA/FM Completes Forms and Returns Package to Contracting

- RA/FM will fill out any required forms from the contracting office as a prerequisite to the Contracting Shop Certifying the Form 9, such as:
 - Green Form
 - IGE MFR
 - Market Research Form
 - Requirement Owner Checklist
- MIG GOV will be available to answer questions along the way and help guide the process.
- Ensure you emphasize the benefits of using MIG GOV for the 8(a) set aside, such as:
 - Time savings
 - Cost savings
 - Tailored solutions to meet the exact need of the end user
 - On-time delivery for mission success worldwide

Step 5: Contract Office Approval

- Contracting Office reaches out to SBA Office (MIG GOV's SBA Rep info is below) with standard letter (example provided) to confirm MI GGOV participation in 8(a) program and that MIG GOV can provide the required materials/services/products
- SBA provides contracting with approval
- Contracting then issues the contract as usual with the 8(a) set aside designated on the contract/award
- Once the contract office awards the contract to MIG GOV, the project will begin and all applicable materials and services will be scheduled and delivery/install will be coordinated with applicable end user
