Section 508 Compliance Statement

MIG GOV LLC is committed to ensuring that its products and services comply with Section 508 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794d). Section 508 requires that all Information and Communication Technology (ICT) developed, procured, maintained, or used by federal agencies be accessible to individuals with disabilities.

Our products and services are designed and tested to meet the applicable accessibility standards as defined in the Revised 508 Standards (36 CFR Part 1194). We assess our compliance using the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA and other relevant technical requirements.

To support government agencies in evaluating our compliance, MIG GOV LLC provides a Voluntary Product Accessibility Template (VPAT) upon request. If any accessibility issues are identified, we are committed to working with agencies to remediate them in a timely manner.
